

Our Mission

Founded in 2006, The Mason County Manufacturers Association was formed to create a foundation for area Manufacturers to share best practices, share training opportunities, and be a source of support in our quest to remain competitive in the global marketplace.

Member Benefits:

- Best practice tours at member facilities
- Consolidated training opportunities targeting:
 - Leadership/Supervisory skills
 - Lean manufacturing
 - Problem solving
 - Computer skills
 - Other areas as identified by members
- A network of manufacturers to seek input from
- Assistance with obtaining training grants
